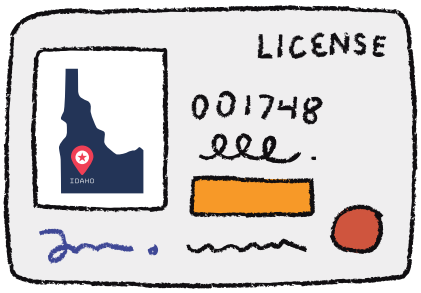
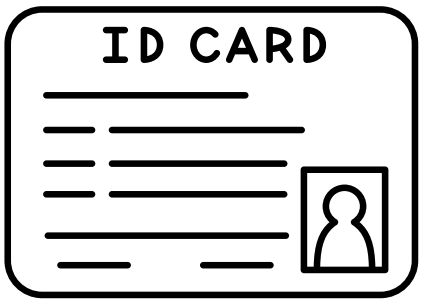
How to Vote in Idaho

Step 1: Register to Vote



Do you have an **Idaho Driver's License***? You can register to vote online at VoteIdaho.gov

Do you have a **US Passport**? Bring it with a proof of residence (paystub, lease, enrollment records, etc) to your county's clerk's office.



If you have neither of these IDs, you can request a **Free ID Card** from your county's DMV. In your application, indicate that the ID is specifically to vote.
